Blackpoint’s Managed Detection and Response (MDR) service provides 24/7/365 coverage so your organization can focus on other priorities. Let Blackpoint’s experienced MDR team monitor, actively hunt, and respond to real-time threats using its patented SNAP-Defense platform.

**KEY BENEFITS:**
- Patented Threat Detection Technology
- Effective Real-time Response to Threats
- Reduces IT/Security Staff Workload
- Initial Attack Surface Vulnerability Assessment
- Integrated IoT/IT/OT Protection
- Affordable Pricing

**AFFORDABLE CYBER PROTECTION AGAINST EMERGING THREATS**
